

Double Your Contribution with a Matching Gift!

Many corporations will match the gifts made by their employees to a qualified non-profit organization. The list below serves as a reference for corporations which may have matching gift programs.

If your employer is listed, please inquire with your personnel, human resources, or charitable giving office about making Cricket Academy a matching gifts recipient. Please send completed matching gifts forms with your donations to the **Cricket Academy, Inc. P.O. Box 270593, Milwaukee, WI 53227**. If you have already donated, just send the completed form. Depending on your company's guidelines, we still may be able to obtain a match. Many corporations also facilitate their gift matching programs through their employee website. Please let us know if we can help with the online process in any way!
