Food Allergies

If your child has any food allergies/sensitivities or has a restricted diet for any other reason, please speak directly with the supervisor in your child's class. Make sure that the foods are listed on the class snack sign-up sheet so that all parents are aware of the foods to be avoided. Finally, double-check with the supervisor in the classroom when you drop off your child. A substitute supervisor may not be aware of your child's needs as related to food and will need to be informed. If your child's reaction is particularly severe, please consider sending a special snack with your child to ensure safety.
